PORTFOLIO

www.whdesignok.com

WH Design has had the opportunity to work with various non-profit organizations. We have helped them bring their dreams to life.

Book Covers

Bridge the Distance

Poetry book created during COVID by teachers. Designed cover and back cover.

Poetic Justice

Non-profit organization that works with incarcerated women to create poetry. The works are published and have been sold at local bookstore. Designed layout of inside book, cover and back cover for 4 years.

EX Cineribus

Tulsa School of Arts and Sciences held an annual class that would create an anthology of creative works completed by the students. The book was published and sold to the school community. Designed layout of inside book, cover and back cover for 8 years.

WH Design has worked with businesses and non-profit organizations world wide to promote their products or company in either a print or digital format.

Brochures & Flyers

Stoughcool

Designed company brochure used to promote products.

Acoustic Freight Train Instrument Donation (AFT-ID)

Designed brochure for a non-profit organization to help with fundraising efforts.

Hilti

Designed brochure to promote a specific product line within the concrete industry.

WH Design has worked with businesses and non-profit organizations world wide to promote their products or company in either a print or digital format.

Brochures & Flyers

iDreveal

Designed 2-page flyer to describe services they offered to attorneys.

Dr. J. Clark Bundren

Designed rack flyer to describe services for display in the office lobby.

Stoughcool

Designed product flyer that would be printed and used digitally on website and email.

Sometimes all you need is a simple business card to get your name out there.

Business Cards

Postcards are a cost effective way to get your business information in the hands of your clients.

Postcards

DFCU Tulsa

Designed a mailer to be sent to current credit union members announcing the new name.

Titan Sports

Designed a special offer postcard for customers to pick up at location.

ENACOMM, Inc.

Designed an informational postcard to be used as a take away at trade show.

Eye catching graphics are needed when you're at a trade show to draw customers to your booth.

Trade Shows

ENACOMM, Inc.

Designed pop up banners promoting current products to be displayed in company's booth at a B2B trade show.

DFCU Tulsa Federal Credit Union

Designed pop up banner promoting mobile deposit services to be displayed in the credit union's lobby.

Eye catching graphics are needed when you're at a trade show to draw customers to your booth.

Trade Shows

Hilti

Designed posters to promote specific product that would be framed and used at show.

ENACOMM, Inc.

Designed large backdrop that would be back-lite and serve as main graphic at trade show booth.

Advertisements can promote your brand or products while targeting a specific audience. Ads can be used in traditional print or digital media outlets.

Ads

Parkhill's South

Unique monthly ads were designed for print use in multiple local neighborhood publications.

Advertisements can promote your brand or products while targeting a specific audience. Ads can be used in traditional print or digital media outlets.

Ads

Key Personnel

Creative ads were designed for digital use on social media platforms promoting weekly jobs.

DFCU Tulsa

Promotional ads were designed for digital use on social media platforms to promote current offers at the credit union.

Setter Electric

Unique ads and headlines were designed for digital use on social media platforms to promote new business.

Advertisements can promote your brand or products while targeting a specific audience. Ads can be used in traditional print or digital media outlets.

Ads

Key Personnel

Full page print ad designed for publication to promote new location.

Hilti

Full page and half page print ads designed for digital use as well as print publications.

Store front graphics are designed to catch your customer's eyes and entice them to come into your business.

Store Fronts

Hilti

The client launched a brand new product line and redesigned all their store front graphics to promote the new tools. These graphics were branded and created for all stores in the United States and Canada.

Logos are the face of your company. You need a graphic that will stand out and set the branding direction of your marketing endeavors.

Logos

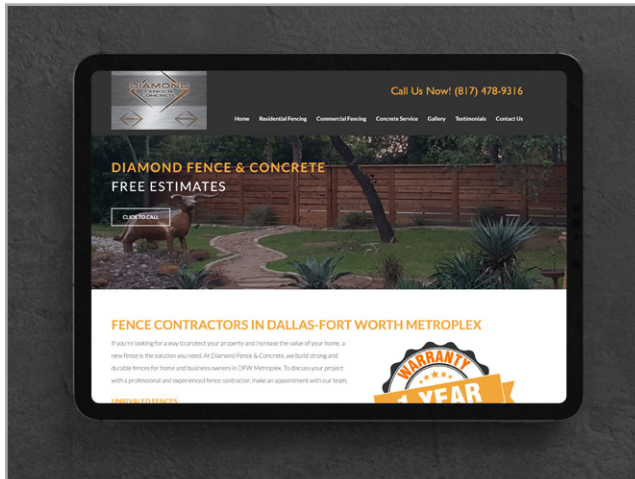

PRECISION
PROCESS SERVING

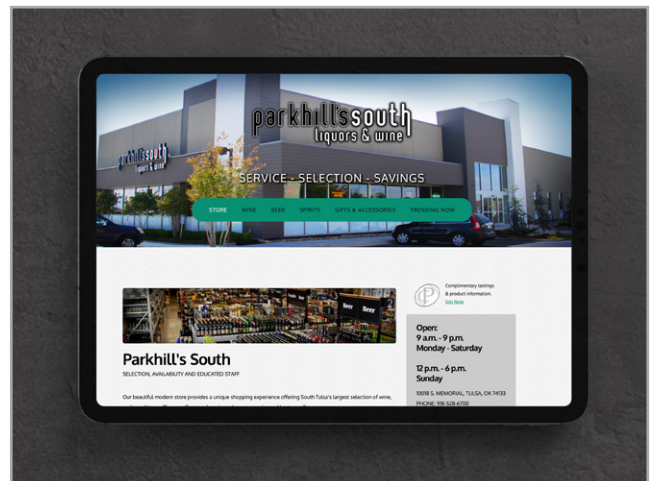

In today's market it is extremely important to have an on-line presence to let people know about your company and what you have to offer.

Thank You!

We appreciate the opportunity to present our portfolio of works to you. If we get a chance to work with you, it will be the best creative client relationship your marketing group has ever experienced. We are committed to going beyond what is required to make your branding, advertising, and marketing a success.
